The EasyRetail EPOS module is touch screen operable. Large colour coded touch buttons and pop-up software keypads are an integral feature of this superb module, allowing sales and payment transactions to be entered speedily using touch keys.

EuroSoft are one of only a small number of agents in Ireland that have been appointed to sell the PosLigne range of uber-modern colour-coded touch monitors.

New Touch-screen EPOS module main screen

Now is the time to replace your EPOS PC's tired looking monitor with a sleek and colourful PosLigne touch-screen LCD unit and speed up transaction entry at the point-of-sale.

8 different case colour shades allowing you to match the terminal to your shop's decor.

Touch screen Terminal plugs into a USB port on your PC for easy set up and connection.

15 inch model price = € 550 + vat, which includes shipping.
